

## Upgrade Your Guest Experience with Levart's Digital Compendium

Levart's hotel digital compendium is a state-of-the-art solution that will revolutionise the way your guests access information about your hotel and its amenities. With Levart's digital compendium, your guests will have access to a comprehensive range of information about your hotel, including menus, room service options, local attractions, and much more. Our user-friendly interface is designed to be easy to navigate, with intuitive search and filtering options that make it simple for guests to find what they're looking for quickly and easily.

## Customise Your Hotel's Information

Unlike traditional compendiums, our digital solution is fully customisable, allowing you to tailor the content to the specific needs of your guests. You can update the information at any time, ensuring that your guests always have access to the most up-to-date and accurate information.

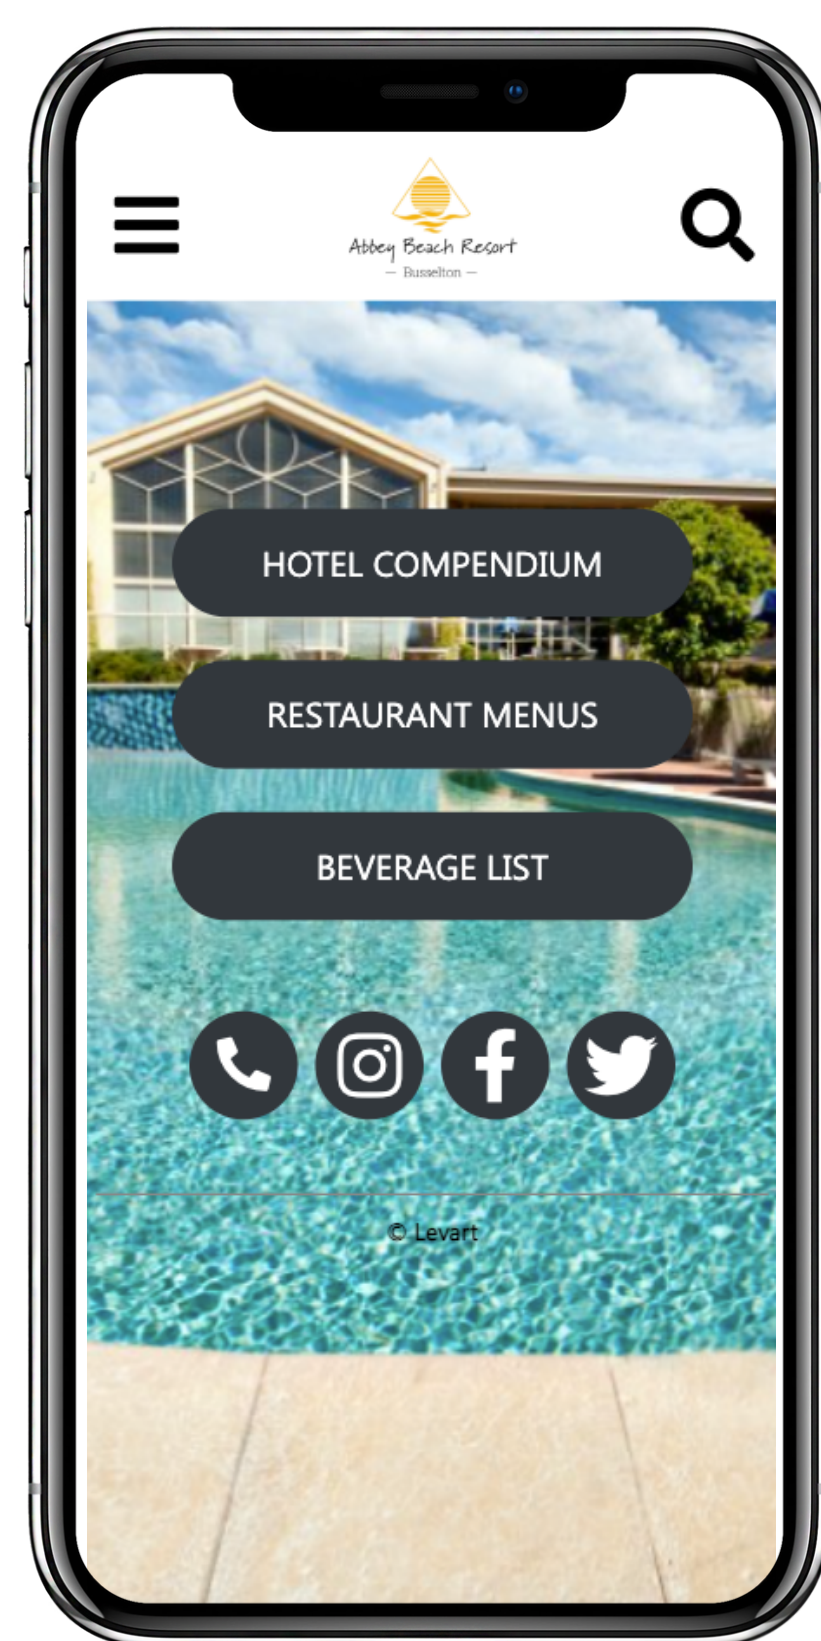

## A Cost-effective, Eco-friendly and Engaging Guest Experience

Levart's digital compendium offers the following advantages over traditional compendiums:

**Cost-effective:** With our month-to-month fee structure, you'll save money on printing and distribution costs, as well as the time and effort required to update and maintain hard copy compendiums.

**Eco-friendly:** By eliminating the need for paper, our digital compendium helps to reduce your hotel's environmental footprint, making it a great choice for guests who are eco-conscious.

**Enhanced guest experience:** Our digital compendium offers a more interactive and engaging experience for guests, with multimedia content such as videos and images that can help to showcase your hotel's unique features and amenities.
